We the People Enhanced Ebook

We the People: The Citizen & the Constitution, an internationally acclaimed civics textbook for high school students, is now available as a Web-based enhanced ebook that can be read on nearly any device, including Macs and PCs, Apple iPads and iPhones, and Android tablets and smart phones.

Bringing Civic Education into the Digital Age

The We the People enhanced ebook features hundreds of videos, photos, fundamental documents, and interactive exercises that give students a rich, multimedia environment for learning about the Constitution and the contemporary issues that impact today's learners. Students can take the interactive exercises online on their own devices, and teachers can track student progress.
